

This warranty document covers High Density (Rigid) Core (HDC) products manufactured by Novalis Innovative Flooring. Lititz Flooring Company (LFC) reserves the right to classify each installation as residential, light commercial or commercial. This document provided coverage when HDC products are applied in a residential or accepted commercial setting. Acceptable Commercial installations are specified elsewhere in this document. LFC reserves the right to classify each installation regarding use according to this published bulletin.

**Product Defect and Composition Warranty:**

Allene warrants that the HDC products will be free from manufacturing defects for a period to match the corresponding Wear Warranty Term, from the date of purchase. If such defect occurs and is verified by Allene, LFC will authorize repair or replacement of the affected area of installed flooring. Limitations apply as stated below.

Allene HDC flooring products are waterproof and will not be damaged or structurally compromised by normal exposure to surface spills and tracked water/moisture for the life of the product. Excessive subfloor moisture is an ideal breeding ground for mold, mildew and fungus which will not harm the HDC product but will contribute to an unhealthy indoor living environment if left unattended. Limitations apply as stated below.

**Wear Warranty:**

Allene warrants that the installed product will not wear through to the printed film layer under normal use as follows:

**Residential Wear:**

- 12 mil wear layer products are covered for the lifetime of the original purchaser of the flooring from the date of purchase

**Light Commercial Wear:**

- 12 mil wear layer products are covered for a period of 10 years from the date of purchase; designated areas of use as described elsewhere in this document.

Wear through is defined herein that the wear layer is sufficiently depleted or compromised so that the printed film layer is damaged, altered or affected from normal use. Stains, fading, scratches, scuffs and loss of gloss are considered normal use and are not covered under this warranty.

Allene coatings provides resistance against stains from domestic household pets such as cats and dogs. This applies to feces, urine or vomit introduced to the surface of the flooring by the pet only, human stains are not covered. Scratching and gouging by pets in a deliberate manner are not covered.

**Wear Warranty Provisions:**

LFC will supply new material of the same color, design, and grade, if available; if unavailable or discontinued, LFC reserves the right to select and supply similar Allene materials. After corrective action is taken on an existing defect, you will continue to receive warranty coverage for the remaining period of your original warranty. Alternatively, a refund of up to 100% of the original cost of the material.

The percentage of the original cost refundable depends on the amount of time elapsed since the date of purchase:

- Within 1-2 years - 100%
- Within 3-4 years - 70%
- Year 5 until the end of specified wear warranty term – 50%

**Labor Coverage Terms:**

The costs of professional labor will be reimbursed within the approved labor charges put forth by Allene, provided that the installation has been performed according to Allene Installation guidelines, standard industry practices, and use of approved installation materials including but not limited to proper subfloor materials, Allene recommended adhesive(s), Allene recommended underlayment(s) and accessories.

Labor must also be provided by a certified professional flooring installer, and will be paid according to the following schedule:

- |                    |   |
|--------------------|---|
| • Within 1-2 years | 100% of labor for reinstall / repair      |
| • Within 3-4 years | 70% of labor for reinstall / repair       |
| • Year 5           | 50% of labor costs for reinstall / repair |
| • After year 5     | No labor reimbursement provided           |

**General Terms:**

Allene branded Commercial products when installed in an accepted commercial area, regardless of commercial use designation, must be professionally installed by a certified flooring contractor to validate this warranty. No exclusions or exceptions will be made to this clause.

LFC reserves the right to inspect any floor that is deemed by the client to be defective. Removal of the flooring prior to this inspection voids this product warranty in its entirety. LFC at its discretion will send a company representative and/or a third-party, independent inspector to the installation site to conduct the inspection. If it is deemed necessary, a destructive inspection will be conducted to properly facilitate a full investigation.

Allene warranties cover the cost of material for the period of the warranty and reasonable labor costs only when and if a professional flooring installer was paid to install the original material. Labor will be paid as outlined above. D.I.Y products, cash and carry sales, closeouts and internet sales are not covered under this warranty.

**Warranty Limitations:**

- This warranty is not transferable and only applies to the original purchaser.
- Manufacturing defect must be reported within 30 days of first notice of defect in installed area.
- This warranty covers only properly installed and maintained floors, according to Allene installation guidelines, recommended products, and accepted industry practices.
- LFC will not pay for the loss of time, inconvenience or other consequential or incidental damages or expenses incurred during the initial installation and the subsequent removal and/or reinstallation of affected material, including clearing any items placed over the finished flooring and affected area subsequent to the original installation.
- This warranty does not cover the exclusions indicated on the package.
- LFC reserves the right to repair any floor, provide replacement materials directly to the consumer or installer, obtain the services of a professional of our choice, and / or to conduct repairs or replace flooring in a manner suitable to our interests if LFC and the purchaser cannot reach agreement on the cost or manner of the repair or replacement.
- Materials installed with obvious manufacturing defects are not covered. Visual defects greater than 1cm are considered identifiable. Labor costs will not be covered when materials with visual defects greater than or equal to 1 cm are installed; replacement material only will be provided.
